NOTE: This authorization is designed to comply with the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and relates to information necessary to administer benefits and services under Employer's employee health and welfare plan(s) ("the Plan") and statutory and/or private leave of absence or job accommodation programs. "Employer" is defined to mean your employer, or your family member's employer to the extent benefits, services, or leave are being sought under your family member's employer's Plan. You are not required to sign the authorization, but if you do not, the Plan, insurers or other providers may not be able to process your (or your family member's) request for benefits or services under the Plan or statutory and/or private leave of absence or job accommodation programs.

AUTHORIZATION

I authorize any physician, medical professional or other health care provider, hospital or other medical facility; pharmacy; health plan; other medically related entity; rehabilitation professional; vocational evaluator; employee assistance plan; insurance company, reinsurer, health maintenance organization, third party administrator, broker or other insurance service provider, or similar entity; the Medical Information Bureau; the Association of Life Insurance Companies, which operates the Health Claims Index and the Disability Income Record System; government organization or agency, including the Social Security Administration; social security disability advocate or representative; financial institution, accountant or tax preparer; consumer reporting agency; and employer or group policyholder that has information about my health, prescriptions, financial, earnings or employment history, or other insurance claims and benefits, to provide access to or copies of this information (whether by written, telephonic or electronic means) to Life Insurance Company of North America; New York Life Group Insurance Company of NY (Life Insurance Company of North America and New York Life Group Insurance Company of NY shall be collectively referred to as "Insurance Company"); and any other individual or entity (including nonaffiliated third parties) that provides services to or insurance benefits on behalf of the Plan and/or Employer's statutory and/or private leave of absence or job accommodation programs. If I am also covered by Cigna Health and Life Insurance Company or its affiliates ("Cigna"), I authorize Insurance Company to disclose the health and other information described above to Cigna to assist me with my health coverage and to provide its services and benefits. This information will be shared to coordinate benefits and provide other services to you.

Information about my health may relate to any disorder of the immune system including but not limited to HIV and AIDS; use of drugs or alcohol; and mental and physical history, condition, advice or treatment, but does not include psychotherapy notes or genetic information.

I understand that the information disclosed under this authorization is subject to redisclosure and may no longer be protected by HIPAA or other federal regulations governing the privacy of health information, although it may continue to be protected by other applicable privacy laws and regulations. I further understand that if any information is used for services relating to Employer's leave of absence or job accommodation programs, that information may be disclosed to Employer at any time. Additionally, I understand that information may be disclosed to the employee who elected my coverage or submitted a claim for benefits under my coverage, or requested leave.

This authorization shall be valid for 12 months or the duration of my claim for insurance benefits, whichever is longer. I also understand that Insurance Company will maintain a copy of this authorization, and that I am entitled to a copy of this authorization and a photographic or electronic copy of it is as valid as the original.

If I choose not to give the authorization - or if I later revoke - I understand that the Plan, insurers, or other providers of services or benefits related to the Plan or Employer's statutory and/or private leave of absence or job accommodation programs who rely on this authorization may not be able to evaluate or administer any request for benefits, coverage or services and that any request for benefits, coverage or services may be denied as a result.
